

Postdoc Position in Theoretical Cosmology at SUNY at Buffalo

The **HEPCOS** (High Energy Physics and Cosmology) Group at the State University of New York at Buffalo invites applications for a postdoctoral position in Theoretical Cosmology starting in September 2008. The successful candidate will work with Prof. Dejan Stojkovic and other members of the HEPCOS group (more information can be found at www.physics.buffalo.edu/hepcos). Candidates interested in working in all aspects of theoretical cosmology including the areas on the interface of cosmology, particle physics and general relativity are encouraged to apply.

Applicants should submit curriculum vitae, publication list, description of research interests, and arrange for three letters of reference. The deadline is January 1, 2008, but applications will be considered until the position is filled.

Applications can be sent either by email to ds77@buffalo.edu (preferred) or by regular mail to

Dejan Stojkovic
Department of Physics
SUNY at Buffalo
239 Fronczak Hall
Buffalo, NY 14260-1500
USA

Phone: (716) 645-2017 ext. 258

Fax: (716) 645-2507

A Ph.D. in physics is required by the date of appointment.

We especially welcome applications from qualified members of protected groups.

SUNY at Buffalo is an Equal Opportunity Employer/Recruiter.
